About Cover Image and Artist: Barbara Meikle is an artist who paints the simple world outside of her door in Tesuque, N.M. Meikle has been an artist from childhood, sketching the horses she loved and took care of in order to ride. True to her art, in college she earned a bachelor's degree in painting and printmaking at the University of Denver and studied watercolor at Cambridge University in England. Her dream was always to make her living as an artist and in 1990, she returned to New Mexico to pursue that dream. Meikle's art may project peace and harmony exemplified as a colorful burro or explode in the riot of energy of galloping horses. Enveloping skies of yellow, pink and white may hover over a majestic dark blue mountain that smolders with mystery, or stalks of prayerful flowers may reach for distant stars in an attitude of happy reverence. For more of her work, visit Barbara Meikle Fine Art in Santa Fe or www.meiklefineart.com.
